

Family, Career and Community Leaders of America

Family, Career and Community Leaders of America, Inc. (FCCLA) is a nonprofit national career and technical student organization for young men and women in Family and Consumer Sciences Education in public and private schools through grade 12.

Building Skills for Life

Family, Career and Community Leaders of America is a dynamic and effective national student organization that helps young men and women become leaders and address important personal, family, work, and societal issues through Family and Consumer Sciences Education.

Chapter projects focus on a variety of youth concerns, including teen pregnancy, parenting, family relationships, substance abuse, peer pressure, environment, nutrition and fitness, teen violence, and career exploration.

Involvement in FCCLA offers members the opportunity to expand their leadership potential and develop skills for life—planning, goal setting, problem solving, decision making, and interpersonal communication—necessary in the home and workplace.

FCCLA—

- is the only in-school student organization with the family as its central focus;
- is a career and technical student organization that functions as an integral part of the Family and Consumer Sciences Education curriculum and operates within the school system;
- provides opportunities for active student participation at local, state, and national levels.

Membership

FCCLA has a national membership of nearly 220,000 young men and women in 7,000 local chapters. There are 53 state associations including the District of Columbia, Puerto Rico, and the Virgin Islands.

Since its founding in 1945, FCCLA has involved more than ten million youth. Former members are eligible to participate through Alumni & Associates.

Ten national officers (students) are elected by the voting delegates at the annual National Leadership Meeting and together make up the National Executive Council.

The National Board of Directors is composed of adult representatives from education and business and four youth representatives.

State associations and local chapters elect their own youth officers. State programs come under the direction of Family and Consumer Sciences Education staff. Chapter advisers are Family and Consumer Sciences teachers.

Financial and Cooperative Support

FCCLA is supported primarily by student membership dues. Additional funds are raised from individuals, corporations, and foundations. FCCLA is endorsed by the U.S. Department of Education (Office of Vocational and Adult Education) and the American Association of Family and Consumer Sciences (AAFCS).

National Staff

An executive director leads the organization and heads a national staff that gives direction to and carries out programs, communications, membership services, and financial management.

National Publications

Teen Times, the official magazine of FCCLA, is published quarterly during the school year and distributed to affiliated members. The national staff also publishes a variety of other resource materials for members and adult leaders. A free publications catalog is available on request.
